

# “MAKE THE CASE” - EAST ASIA

A Student Team Competition to Scale Solutions for Asia's Plastic Crisis

FIND AN EXISTING PROJECT IN EAST ASIA THAT REDUCES PLASTIC WASTE

“MAKE THE CASE” THAT THE PROJECT DESERVES GREATER ATTENTION & COULD BE REPLICATED ELSEWHERE

WRITE A CASE STUDY TO TELL US HOW & WHY

TOTAL PRIZE MONEY OVER **\$15,000 USD**

#### Calling Students In

Brunei	Mongolia
Cambodia	Myanmar
China	Philippines
Hong Kong	Singapore
Indonesia	South Korea
Japan	Taiwan
Laos	Thailand
Macau	Timor-Leste
Malaysia	Vietnam

Solutions to the plastic waste problem, with real results, exist. No start-up or new ideas required. Now, it's just a matter of getting them known. Let your team take up the challenge of spreading the word!

\$1,000 USD

#### Other Opportunities

See Page 2

To learn more: [makethecase.capp.global/east-asia](https://makethecase.capp.global/east-asia)

Take the challenge: Compete to showcase the best proven projects or programs\* that reduce plastic pollution in East Asia

### THEME 1

Identify a city, town or village. Find a proven project that does a great job in reducing the amount of plastic pollution that enters the nearby waterway

### THEME 2

An existing, proven project or program that reduces or eliminates plastic pollution that can be cost-effectively replicated and scaled

\*We welcome projects and programs from the business sector, public and not-for-profit organizations

## Exposure & Opportunities

- Internship with CAPP – top prize winning team
- Participate in Recruiting Week
- Finalists receive mentors in prep for presentations
- Case Study written up in “Make the Case” report
- Great personal exposure if team makes finals
- Receive participation certificate
- Opportunity to display advanced research and advocacy skills

**Team Size:**
